2017 Destination Theater Contract

We provide the audience, a room, and a screen. Program selection and scheduling is done by the FFS. Program slots are assigned on a **first come, first served** basis. Space goes fast. ***Most destination Theaters fill up before the end of August!*** All destination theater forms need to be in the office by **October 1, 2016** to assure promotion due to printing deadlines and the volume of requests. ****THERE WILL NOT be last minute additions to Destination Theater.*** This is unfair to those that are on time, and due to our printer commitments.

If you need a slide or power point projector or any other equipment you must bring your own, rent or borrow one. We only provide a screen and the room with electricity.

THE PRESENTATION MUST BE UNDER 45 MINUTES IN LENGTH.

The room must be **cleared** in time for the next presenter to set up. The programs are scheduled back-to-back

**** Please be considerate to the next presenter and their audience.**

- **Start on time, end on time. You will lose the privilege if you run late.**
- **ONLY** exhibitors paid in full or special guests are entitled to this opportunity.

Topics can include almost anything of interest to fly fisherman.

When in doubt, ask us. We have seen the other talks and can help you with titles, subjects, etc. The sooner we have your program forms, the sooner we can get the publicity out! Exhibitors should fill out **completely** and **return with your contract** and deposit for priority.

So what's in it for you?

It's your chance to impress and inform your present and future customers with a program at fly fishing's most prestigious forum. You will likely book trips on the strength of your presentation, sell a painting, sell more copies of your book, and you will absolutely make valuable new contacts and renew old ones! These added benefits of the Fly fishing Show don't cost you a penny but give you added exposure.

***You are responsible for checking the schedule and being on time for your program. Any cancellations NEED to be communicated to Fly Fishing Show staff. Any cancellations without notification WILL NOT get invited back.**

***Since changes are inevitable, each day you must double-check the time and location of your program.**
