

2018 Destination Theater Contract

Program selection and scheduling is done by the FFS. Program slots are assigned on a first come, first serve basis. Space goes fast, most theaters fill up before the end of August. All destination theater forms must be received by October 1, 2017 due to printing deadlines and the volume of requests. **There will not be last minute additions.**

If you need a slide/power point projector or any other equipment you must bring your own, rent or borrow one. We only provide a screen and the room with electricity.

THE PRESENTATION MUST BE UNDER 45 MINUTES IN LENGTH.

The room must be clear in time for the next presenter to set up, programs are scheduled back-to-back. Please be considerate to the next presenter and their audience.

- **Start and end your program on time.** You will lose the privilege if you run late. You are responsible for checking the schedule daily for time and location of your program. Changes may occur.
- **ONLY** exhibitors paid in full or special guests are entitled to this opportunity.

Topics can include almost anything of interest to fly fisherman. When in doubt, ask us. We have seen many talks and can help you with titles, subjects, etc. The earlier we have your program forms, the sooner we can get the publicity out. Exhibitors should fill out the below form completely. Print or type legibly and return with your contract and deposit for priority.

So what's in it for you? It's your chance to impress and inform your current and future customers with a program at fly-fishing's most prestigious forum. You will likely book trips on the strength of your presentation, sell a painting, sell more copies of your book and you will absolutely make valuable new contacts and renew old ones. These added benefits of the Fly Fishing Show don't cost you a penny, but give you added exposure.

Any cancellations without notification WILL NOT get invited back.
