

Dear Non-Profit

We welcome you to participate in our Fly Fishing Shows. You will find an attached contract to fill out and return. **Please don't forget to provide your EIN #, your Federal code number. If you do not have one please use your national or state group's number for our bookkeeping purposes.**

It has been a tradition of the show to give group discounts to your club. If you purchase a block of **20** tickets or more you can receive show tickets for \$10 each. The Somerset show is the only exception; they are \$12 if you order a block of 20 tickets, a \$5 savings per ticket. We mail these tickets out to your group, so get back to us in a timely fashion before the show approaches, at best 2-3 weeks. Please let us know if the person coordinating the tickets is different than the person arranging your booth.

Important Details

1. We provide the space, but **you must bring your own tables or displays. The tables must be covered and skirted to maintain the look of the show.** You can also order tables completely furnished and skirted from our show decorators. These order forms are located on our website under the link for Exhibitor Information. Choose the Service Kit for the city in which you are attending.
2. Each group gets **5** worker admittances per day to man their booth if it is located inside the show floor. The **only exception is** where the volunteer booths are in the lobby, or at the entrance to the show floor. Show tickets must then be purchased for a reduced rate if volunteers wish to attend the show. If they work your booth only, and do not want to attend the show there is no need for a show ticket.
3. Electricity must be purchased if you need it. Early purchase of electricity is reduced at all shows.
4. Also, we insist that no "hawking" take place in the aisles. All other paying exhibitors are confined to their booths and can't stop people in the aisles. Violating this rule will affect your return invitation.
5. The show provides demos, talks, and classes, so if you consider teaching something, we must know to avoid confusion and duplication. Our rooms are all rented and paid for by the show, but if we aren't using one, we may be able to provide it for your use. Check with us.

We look forward to another great year and hope you can join us. Please mention the shows at your meetings, in your newsletters, emails, and social media channels. You will get show brochures prior to the show to distribute at your meetings. Working together we can promote our sport for all to enjoy.

Sincerely,
Ben Furimsky
