All display vehicles must file a permit application with the Security Manager. The Application containing Make, Model, Year and proof of Insurance must be submitted no later than thirty (30) days prior to the Event date. The permit fee is \$25 for each vehicle.

There will be assigned load-in and load out time for the display vehicles

- c. We agree General Exposition Services' liability shall be limited to any loss or damage which results solely from General Exposition Services' negligence in the actual physical handling of the items comprising our shipment(s), and not for any other types of loss or damage.
- d. With particular reference to Liability & Responsibility, we agree, in connection with the receipt, handling, storage, and re-loading of our materials at the convention site (as distinct from General Exposition Service's warehouse), that General Exposition Services will provide its service as our agent, and not as bailee or shipper. If any employee of General Exposition Services shall sign a delivery receipt, bill of lading, or other documents, we agree that General Exposition will do so as our agent, and we accept the responsibility thereof.  
(1)Relative to outgoing shipments after the show, we recognize that there will be a lapse of time between the completion of packing and the actual pickup of our materials from our booth for loading into a carrier, and that during such time our shipment will be left unattended in our booth. We agree that General Exposition Services shall not be responsible for any loss or damage during such period, and we authorize General Exposition Services to adjust the quantities of items on any bill of lading left by us with General Exposition Services to conform to the actual count of such items in the booth at the time of pick-up.
- e. We agree, in the event of a dispute with General Exposition Services relative to any loss or damage to any of our materials or equipment, that we will not withhold payment of any amount due to General Exposition Services for drayage or any other services provided by General Exposition Services as an offset against the amount of the alleged loss or damage. Instead, we agree to pay General Exposition Services within 30 days from the close of the Show for all such charges, and we further agree that any claim we may have against General Exposition Services shall be pursued independently by us as a completely separate transaction to be resolved on its own merits.

## **Material Handling Information**

### **Advanced Warehousing**

Common Carrier Shipments of exhibit materials consigned to General Exposition Services' warehouse must arrive no later than three (3) business days prior to the event date. Exhibit material may be delivered up to thirty (30) days prior to the show installation date and receive free storage. Longer storage time may be arranged for at an additional fee.

### **Condition of Shipment**

ALL SHIPMENTS MUST BE PALLETIZED OR CRATED. LOOSE OR UNCRATED MATERIAL WILL NOT BE ACCEPTED. GENERAL EXPOSITION SERVICES IS NOT RESPONSIBLE FOR CONCEALED DAMAGE OR LOOSE ARTICLES.

### **Local Drayage**

Exhibit materials will be delivered to your booth prior to or during the designated installation period. Empty crates, cartons, and cases will be removed from your booth after completion of installation and stored off-site during the event. Please place Storage stickers with your company name on your empty containers. After the event, empty containers will be returned to the respective booth.

It is not General Exposition Services' responsibility to unpack or pack exhibit materials.

Outbound shipments require an outbound bill of lading. Once the shipments is packed and properly labeled, the bill of lading must be returned to a representative of General Exposition Services. Any shipments left on the show floor without a bill of lading will be shipped to the exhibiting company at their expense. ALL SHIPMENTS MUST HAVE A BILL OF LADING PRIOR TO LEAVING THE CONVENTION FACILITY.

### **Outbound Shipments**

Shipping information, bills of lading, and labels will be available from a General Exposition Services Representative. Exhibitors selecting non-official carriers will need to make their own arrangements for pick-up.

After the show, General Exposition Services can provide delivery back to the warehouse as an option for an additional fee. If you select this option, you are able to schedule your carrier of choice to pick up your freight materials at the warehouse address. Call General Exposition Services at the above phone number to select this option.

### **Payment**

Payment for local drayage and, where appropriate, storage services must be prepaid prior to receiving the items at your exhibiting space. Forms of payment accepted are company check, wire transfer, or credit card. General Exposition Services requires a credit card to be on file for all material handling services. Failure to do any of this may delay the expediting of your materials.

### **How Are Drayage Rates Determined?**

Since union labor is used to move freight, General Exposition Services must set the rate based on the labor rate in that city. Drayage rates also reflect the cost of empty storage space and the overall cost to produce the tradeshow. Drayage rates will vary depending on move-in and move-out times.
