Each booth is a 10' x 10' space, with side curtains, curtain backdrop, and standard sign. Please observe the above guidelines to provide an unobstructed view and reasonable sightline from the aisle for each exhibitor.

Displays over 4' high must be confined to that area of the booth that is at least 5' from the front of the booth.

2024 Fly Fishing Show® Regulations

These regulations are part of the contract

- Exhibitors may not share booth space without the express approval of the show director, nor may they sell, sub-let, or otherwise assign their space. The exhibitor whose name appears on this contract is the only entity allowed to exhibit in the booth assigned. Violation is cause for immediate dismissal from the show.
- Only those products/services listed on your contract are allowed in your booth and you may promote these only within the confines of your booth. You are not permitted to solicit in the aisles, put out literature in the lobby, or anywhere other than your booth. The director must approve any exceptions.
- Unless the show director gives his express approval the sides of your exhibit extending beyond 5' from the curtain backdrop may not exceed 48 inches in height and no part of your exhibit may exceed the height of the curtain backdrop.
- Exhibits must be ready and staffed 15 minutes before the show opens and be manned at all times.
- Show director will assign all spaces and reserve the right to reassign spaces.
- All exhibits must have their names and booth numbers boldly displayed. You may use the sign we provide or your own.
- Acceptance of this contract by the management is for the year **2024** only.
- Nothing edible or drinkable may be sold, dispensed, or given away without prior approval.
- All exhibits must be orderly and blend in with the catch and release fly-fishing themes of the show. No animal heads or other animal parts may be displayed except for small portions of animal fur for sale as fly tying materials. In case of any doubt, ask us first.
- All exhibitors must refrain from displaying a "flea market" look. Signs must be professional and sales should only be a portion of your booth, never an entire booth. Management has the right to have unprofessional signs removed. We recommend show specials not to exceed 30% of your display. **Booth tables must be covered and skirted** either by you or our show decorator. Please no bare undressed tables.
- Use of duct tape or any other adhesive that is not pre-approved will not be permitted on walls or linens. Any unapproved use may result in damage charges.
- Consumption of alcoholic beverages not purchased from a licensed vendor is not permitted and can result in the removal from the show.
- Balloons are not permitted.
- **Booths cannot be taken down prior to show closing without approval from management.**

Dear Guests:

Guest safety continues to be our number one priority at Alameda County Fairgrounds. During the 2018 Fair, we introduced new Department of Homeland Security-sanctioned measures as part of a comprehensive plan to ensure a safe and positive environment for guests at all times. We also developed an Emergency Action Plan (EAP) specifically for promoters to establish a standardized basis for response in the event of a crisis or emergency.

To further safeguard against any potential threats, events held at the Fairgrounds will also be required to comply with the following measures starting in 2019:

- Guest security searches may be required at gate entrances for some events and will include the use of metal detectors and/or hand-held wands, as well as the inspection of all bags (purses, tote bags, backpacks, diaper bags, insulated food bags, medical supplies, camera bags, binocular cases, empty plastic bottles, etc.)
- The list of prohibited items has been expanded and will be posted on alamedacountyfair.com.
 - Weapons of any kind including guns, knives, bats, clubs, or any item or sharp object that could be considered or used as a weapon
 - Illegal drugs, narcotics
 - Alcoholic beverages
 - Marijuana or cannabis products of any kind
 - Mace or Pepper Spray
 - Hard shell coolers, ice chests (made of plastic, metal, etc.)
 - Cans, glass, flasks, thermoses or any hard-sided containers
 - Tents

- Tables
 - Large shade umbrellas (small umbrellas or parasols are fine)
 - Cooking equipment of any kind
 - Charcoal or flammable liquids
 - Loose food or food contained in large, catering-style pans, trays, bowls, etc.
 - Animals (registered service dogs only)
 - Scooters, bicycles, skateboards, roller skates
 - Drones
 - Any item deemed by management to be dangerous, inappropriate or disruptive to other guests
-
- Permissible items per person include:
 - Pre-prepared or packaged food items (sandwiches, salads, etc., must be contained in a soft insulated or similar-type bag)
 - 1 soft-sided insulated bag or cooler (16"x16"x8" or smaller only)
 - 1 diaper bag
 - 1 folding chair
 - 1 blanket
 - Cigarette smoking is permitted in designated areas only (yellow smoking tents)

We believe these simple precautions will go a long way in preserving the integrity of the Fairgrounds for our guests, vendors and promoters. Please contact your event coordinator for specific security measures required at your event.

We thank you in advance for your cooperation and understanding and look forward to seeing you soon.

Sincerely,
