Fly Fishing Show® Volunteer Pass Policy

In addition to your discounted space, the Fly Fishing Show® permits **5 hand stamps** per day for your volunteer helpers to enter the show. Once all of your **5** volunteers have been stamped, you are permitted to purchase extra price-reduced tickets for \$12 each per day for additional volunteers. If it is a three day show this means you have a total of **15** entrance hand stamps, but limited to **5** each day.

This policy has been working for everyone. Remember your booth is offered at a substantial discount and we often turn away exhibitors closer to the show date that want to rent your space, which is around \$1000 per booth. You are valuable to the show and the fly fishing sport and we appreciate your dedicated work and promotion. We need booth fees to pay for magazine ads, radio, TV, and brochures, but we also need you. Thanks for helping promote our sport and being an integral part of our show family.

Please remember that we provide your space, but you are responsible for the table and purchasing electric if you need it. Feel free to contact the office if you have any questions.

Show Requests

Please refrain from retail sales. Raffles for volunteer funding are acceptable. If you are selling tickets for a raffle confine your sales to your space. Please, no hawking in the aisles and confronting customers must be done politely. Refrain from aggressive selling and you'll have better results. We don't want our customers to feel pitched. Your cooperation is appreciated. Even though we could sell your space, the work that your organization or club performs allows us to enjoy our sport. Without fishing water, there would be no Fly Fishing Show®.

Please do your best to promote the show in return for the booth. Let all your club members and friends know via newsletters, emails, websites and social media. Please e-mail or send us a copy of your newsletter where our show is mentioned. The better job everyone can do to promote the show, the better it helps us all have a successful show.

All other show rules and regulations for booth set up are located in our exhibitor kits, including equipment rental information.

Thank you,

The Fly Fishing Show®

2025 Fly Fishing Show® Regulations

These regulations are part of the contract

- Exhibitors may not share booth space without the express approval of the show director, nor may they sell, sub-let, or otherwise assign their space. The exhibitor whose name appears on this contract is the only entity allowed to exhibit in the booth assigned. Violation is cause for immediate dismissal from the show.
- Only those products/services listed on your contract are allowed in your booth and you may promote these only within the confines of your booth. You are not permitted to solicit in the aisles, put out literature in the lobby, or anywhere other than your booth. The director must approve any exceptions.
- Unless the show director gives his express approval the sides of your exhibit extending beyond 5' from the curtain backdrop may not exceed 48 inches in height and no part of your exhibit may exceed the height of the curtain backdrop.
- Exhibits must be ready and staffed 15 minutes before the show opens and be manned at all times.
- Show director will assign all spaces and reserve the right to reassign spaces.
- All exhibits must have their names and booth numbers boldly displayed. You may use the sign we provide or your own.
- Acceptance of this contract by the management is for the year **2025** only.
- Nothing edible or drinkable may be sold, dispensed, or given away without prior approval.
- All exhibits must be orderly and blend in with the catch and release fly-fishing themes of the show. No animal heads or other animal parts may be displayed except for small portions of animal fur for sale as fly tying materials. In case of any doubt, ask us first.
- All exhibitors must refrain from displaying a "flea market" look. Signs must be professional and sales should only be a portion of your booth, never an entire booth. Management has the right to have unprofessional signs removed. We recommend show specials not to exceed 30% of your display. **Booth tables must be covered and skirted** either by you or our show decorator. Please no bare undressed tables.
- Use of duct tape or any other adhesive that is not pre-approved will not be permitted on walls or linens. Any unapproved use may result in damage charges.
- Consumption of alcoholic beverages not purchased from a licensed vendor is not permitted and can result in the removal from the show.
- Balloons are not permitted.
- **Booths cannot be taken down prior to show closing without approval from management.**

****The show management will not be held liable to the exhibitor, to his employees to his agent, or to his guests, for any damage, loss, injury from fire, water, storm, adverse weather, electricity, smoke, theft, labor disputes, acts of other exhibitors, acts of the convention center, acts of any governmental agent, or any causes whatsoever beyond the control of The Fly Fishing Show.***

Hanging Sign, Rigging & Truss Requests

Except for free-standing truss structures with single point of contact to the floor, Encore is the exclusive provider of all rigging at Gaylord Rockies. This includes crank-up towers, truss arches, flown truss and motors. Exhibitors and exhibitor appointed contractors may provide their own free standing truss structures with the condition that nothing is connecting the two structures; this includes items such as string lights. Gaylord Rockies and Encore reserve the right to determine if a structure is deemed as an overhead structure and must instead be provided by Encore. Should an exhibitor or an EAC choose to provide their own free standing truss structure, Encore will not be involved or liable for set-up, tear down, or equipment used. If an exhibitor or EAC requires a truss arch, structure, or flown truss and motors for their event, Encore will provide the labor to assemble, and a rigging advance must be submitted at <https://www.encoreglobal.com/rigging-request/>. For more information, please reach out to 2154salcs@encoreglobal.com.
